THE PROGRAM

The Year 7 course consists of 2 practical training sessions per week (during school time), progressing to 4 sessions per week in Years 8-10, including a soccer theory component. The soccer theory component covers:

- Laws of the game
- Tactics and formations
- Video performance analysis
- Level 4 Refereeing accreditation
- Event & team management
- Question/Answer refereeing workshops.
- Coaching / refereeing at carnivals / primary schools

ENRICHMENT ACTIVITIES

The Soccer Squads are also involved in:

- Interschool competitions
- Coaching and mentoring opportunities
- Refereeing

Students also interact with local primary schools to run coaching clinics giving them useful practical experience.

Several graduates from the Soccer Program have gone on to become professional players for both the Australian International Leagues.
