

SCHOOL BOARD REPORT

This year saw the retirement of the previous school board, and the formation of an entirely new board for 2024. Comprising parents, staff, and community members, the new board is dedicated to serving the best interests of our students and the Kelmscott Senior High School community.

Throughout the year, the board has actively engaged with various faculty (such as Agriculture, Music and GAT) and administration reports, keeping us informed about student achievements and overall school progress.

Some important topics discussed included:

- New Business Plan
- WACE Tracking and Student Achievement
- Successful Parent-Teacher Night
- Education Ministers Meeting Hosted by Our School
- School Uniform Changes

A major highlight was the selection of our new principal. As the school board representative, it was a privilege to be part of this important process.

Interviews were conducted in August, and after careful consideration, Mark Jeffrey was appointed as Principal in September.

We extend our best wishes to the graduating class of 2024 as they embark on their future endeavours.

Cher Gomes
Board Chair
